# Focal ón gCathaoirleach

Is cúis mór áthas dom na focail seo leanas a scríobh mar bhrollach don foilseacháin brea seo. Tá súil agam go mbainfidh gach léitheoir spéis is eolas as.

The efficient and effective management of information is an essential task of any organisation. The Dublin Camogie Board is no exception producing as it does a myriad of information items each year which are essential to the running of our games.

Even in these days of impressive information technology tools there is still a need for paper-based resources and this Camogie Directory has proved a durable service. It's portability and comprehensive data are frequently consulted and it is an essential tool for camogie officials, referees and players.

Dublin is fortunate to have an excellent website and it provides a great complement to this publication with its regular updates and comprehensive online fixtures and results facility.

I would ask all teams and clubs to co-operate fully with the online results service by texting the results of games immediately the match is over. There are still some teething problems and for that we apologise. Any queries should be emailed to [info@dublingaa.ie](mailto:info@dublingaa.ie).

I would like to congratulate Gerry O'Sullivan and Seamus Massey on their success in being chosen as the National Camogie Award Winner for the Best Website in 2010.

My appreciation also to our sponsors OZO - 24 hour collect and recycle company and our teamwear sponsor Masita from Kells. I would like all our clubs and supporters to support our sponsors as far as possible when purchasing services/goods in these areas.

The Phoenix Park Development is up and running and it will be a wonderful assist to have in the years to come giving camogie again a very vibrant and visible presence in "The Park".

My best wishes to all our county teams and clubs for a very successful 2011. Best wishes also to our colleagues in the Dublin GAA Board who have been so supportive of our Association and to the Dublin Ladies Football for another wonder 2011.

## **GUIDELINES FOR ALL ADULT REFEREES AND CLUBS FOR 2011 PLAYING SEASON**

### **Playing gear:**

Referees have been instructed to ensure that all teams are correctly attired and in particular that skirts/skorts are worn. **Shorts** are not permitted and referees have been instructed not to allow any girls wearing shorts to play. Referees were reminded to check hurleys – i.e., if banded must be taped and up to 18 years – shin guards must be worn. Helmets are compulsory for all ages.

For U16 matches upwards – all referees must wear referee's uniform.

### **Time keeping:**

Over the past season it has been noticed our scheduled start times have been virtually ignored. In an effort to correct this, referees have been instructed to start games at the correct advertised time. However, we are aware this may not always be possible due to unforeseen circumstances. Every effort should be made to ensure these disruptions are kept to a minimum. Where a delay is likely to occur the opposition/referee should be notified. Referees have been asked to note any late starts and these will be passed to management for consideration.

### **Contacting Referees:**

As always, the onus is on the **HOME** club to contact the referee at least 2 days before their fixture, to confirm his/her availability. In the event that he/she is not available, then Aoife Maguire 087-9160955 should be contacted and a replacement referee will be appointed. Contact details will be available for all referees in the Fixtures book and we will post contact details on our website. Failure to contact the referee will result in a fine to the offending club (€50).

Where a home team is playing at another location other than their home ground then this information should be given to the referee – e.g. Ballyboden playing in Sancta Maria as opposed to their club house on Firhouse Road.

### **Referee Reports:**

Referees must complete reports immediately after the match, ensuring they are specific in reporting any incident. All reports Juvenile and Adult should be sent to Aoife Maguire, 63 Rothe Abbey, Kilmainham, Dublin 8.

## UNDER 8 FIRST- TOUCH GO-GAMES CAMOGIE 2011

### GUIDELINES:

1. Play commences with a throw in from halfway.
2. Outfield players must play the sliothars on the ground at all times.
