# **AN TREORAÍ OIFIGIÚIL**

**“AN TREORAÍ OIFIGIÚIL - SEE [WWW.CAMOGIE.IE](http://WWW.CAMOGIE.IE)”**

## **CONGRESS RULE 2012 - RULE CHANGES**

A number of changes were made to the Playing Rules at Congress 2012. The implementation of the changed playing rules will come into effect on the first day of June 2012.

- \* A maximum of 8 substitutions may be made in underage and adult league competitions at all levels. This does not apply to championships.
- \* When the sliotar is played directly over the crossbar from a sideline ball, the score will be worth 2 points.
- \* When play is stopped by the Referee due to an injury to a player, play resumes with an indirect free to the team in possession at the time the referee stopped play.”

# DUBLIN CAMOGIE FÉILE NA NGAEL

- (1) Féile Na nGael is for 15-a-side teams, comprising players who are over 10 and under 14 years of age on 1st January in the year of Féile. Participants in the Féile Skillstar Competition are also subject to the same age limitation. Teams in Divisions 4 & 5 may play with 13-a-side if they do not have 15 players.
- (2) A panel shall be confined to a maximum of 24 players and 3 team mentors.
- (3) Each competing team must register on the official registration form, 5 weeks prior to competition. The Registration Form must be signed by the Club Rúnaí. Any alteration to the original registration must be notified to the Dublin Camogie Féile Na nGael prior to the first game of the weekend. This will be done through the local Féile Official at the host club venue. Thereafter, no alterations will be accepted.
- (4) A player may be required by a Féile Official to give her signature and date of birth at any time during the Féile.
- (5) Games will be played on a full-size pitch.
- (6) All Group games will be played on a 15-a-side basis over 15 minutes per half. In Groups where a quarter-final is involved, the preliminary games and the quarter-final will be of 15 minutes per half. An interval of 5 minutes will be allowed.
- (7) Eight substitutions are allowed, but only during a stoppage in play and with the permission of the referee.
- (8) Camogie matches governed by the full rules of An Treoraí Oifigiúil. The initial stages of the competition will be played on a league basis. In league competition, two points will be awarded for a win and one for a draw. The top team in each section will qualify for the semi finals, or quarter final, where relevant. Should two teams finish level on points, the winner of the original game between those two teams will progress. If that game ended in a draw, or if more than two teams ended level on points, qualification for the semi final or quarter final will be decided by play-off as follows:

## TWO TEAMS LEVEL:

A play-off game of ten minutes (2 x 5 mins) will be played. If this game ends in a draw then an additional period of extra time will be played, the team to register the first score to be deemed the winner. For this additional period of extra time the referee will again toss to decide which way the teams will play.

## THREE TEAMS LEVEL:

A round-robin play-off will be played, following an open draw, A v B, B v C and A v C. Each game will be ten minutes (2 x 5 mins) duration, with two points awarded for a win and one for a draw. If this method fails to divide the teams then the tie shall be decided (based on these three games) by the following means and in the order specified:

- i) Scoring difference (Subtracting the total Scores

against from the total Scores for)

- ii) Highest Total Score for

- iii) Scoring Average (divide total Score Against into total Score For)

## FOUR TEAMS LEVEL:

A knock out play-off will be played. Two semi final games will be played of ten minutes (2 x 5mins) duration, the pairings to be decided by an open draw. If a semi final game ends as a draw then an additional period of extra time will be played, the team to register the first score to be deemed the winner. For this additional period of extra time the referee will again toss to decide which way the teams will play.

The knock out “final” of ten minutes (2 x 5 mins) duration will then be played. If this game finishes as a draw then an additional period of extra time will be played, the team to register the first score to be deemed the winner. For this additional period of extra time the referee will again toss to decide which way the teams will play.

- (9) In the event of a draw at the semi-final or quarter final stage of the competition, ten minutes extra time (2 x 5 mins) will be played. If a draw still results then an additional period of extra time will be played, the team to register the first score to be deemed the winner. For this additional period of extra time the referee will again toss to decide which way the teams will play.  
In the event of a draw in the final, ten minutes extra time (2 x 5 mins) will be played.  
In the event that the match is still a draw, another ten minutes of extra time (2x5mins) will be played. Should the match still be a draw after 2 rounds of extra time, additional 5 min periods will be played until a result is reached.
- (10) All teams shall wear the official club colours. If there is a clash of colours, there will be a toss of a coin to decide who changes. Groupings to be reviewed by county board prior to competition to advise relevant clubs of possible colour clashes.
- (11) Team mentors are not allowed to encroach on to the field of play without the permission of the referee.
- (12) The 3 permitted mentors must wear an item that identifies them as a mentor and thereby Permitted to coach on sideline.eg colour bib.
- (13) Clubs are permitted to enter a “B” team into the competition only if the club currently field a “B” team at U14 level in that playing year in the Dublin leagues. This “B” team can only comprise of girls currently playing on the “B” team in that given year. All registration details will be checked by County registrar.
- (14) Clubs that have a registered team playing at U14 level cannot enter a second team from the U13 Division.
- (15) Any club withdrawing from the competition before

20th April 2012 will forfeit the €60 registration fee.

- (16) Any club withdrawing from the competition later than 20th April 2012 will incur a fine of €300.
- (17) The Dublin Camogie County Board and the Dublin Disciplinary Hearings Committee reserves the right to impose sanctions, including expulsion from the competition, of teams/clubs that fail to comply with the rules of Dublin Féile Na nGael.

## **CLUICHÍ**

Players must wear numbers as on the Registration Forms. A Féile Official will attend at each game and shall have the authority from the Dublin County Board to make on-the-spot decisions, including requiring a player to give his signature and date of birth. All irregularities will be reported to the Féile Na nGael Committee.

## GARDA VETTING

The Camogie Association has implemented Garda Vetting in the Association as we promote best practice in the recruitment and selection of persons to work with children and young people in the Camogie Association.

It is but one part of the overall recommended recruitment and selection procedures for those who work on our behalf in areas of responsibility with children, young people and vulnerable adults, or who may at a later stage seek to work in such areas of responsibility.

Garda vetting, which is the pre-checking of an applicant's background for criminal convictions or prosecutions is recommended by the Irish Sports Council, by Sports NI in Northern Ireland and as part of Children First: National Guidance for the Protection and Welfare of Children. Vetting and Police checks have been utilised by many Governmental agencies and by sports and community based organisations for a number of years.

Further information on the application procedure is on [www.dublincamogie.ie](http://www.dublincamogie.ie) and [www.camogie.ie](http://www.camogie.ie)

## ANTI-DOPING POLICY

The policy of the Camogie Association is that doping is contrary to the spirit of FAIR PLAY and all members have a responsibility to ensure that our sport is free of doping.

**The fundamental aims of doping control are threefold:**

- To uphold and preserve the ethics of sport
- To safeguard the physical health and mental integrity of players
- To ensure that all competitors have an equal chance

All members of county panels taking part in the Senior Championship (O'Duffy Cup) may be subject to drug testing in or out of competition, (i.e. at any senior championship match or county training session). Players should be aware of the Irish Anti-Doping Rules available at [www.irishsportsCouncil.ie/anti-doping](http://www.irishsportsCouncil.ie/anti-doping).

Players are also responsible for checking their prescribed and over-the-counter medications to see if they are permitted for use by players. If a medication is not permitted, the player may need to apply for a Therapeutic Use Exemption. The website [www.eirpharm.com](http://www.eirpharm.com) has a 'Drugs in Sport Database' where players can check prescribed and over-the-counter medications bought in the Republic of Ireland. Medications bought in Northern Ireland should be checked on [www.globaldro.com](http://www.globaldro.com) or contact the Irish Sports Council for assistance with your query.

## **COACHES, MENTORS AND TRAINERS**

All coaches, mentors and trainers (referred to hereafter as coaches) should ensure that young people and children benefit significantly from our games by promoting a positive, healthy and participatory approach in our work with underage players. In developing the skills levels of every player, coaches should always encourage enjoyment and fun while ensuring meaningful participation in our games and activities. Coaches should always remember that they are role models for the players in their care.

### **Recruitment of Coaches**

All coaches working with young people and children are required to be suitable for their chosen role(s), and should be appropriately trained, qualified and supported to fulfil such roles. All persons working or volunteering for such roles will participate in agreed recruitment and selection procedures and shall attend coaching and training courses relevant to their roles.

### **Coaches should maintain a child centred approach:**

- Respect the rights, dignity and worth of every person.
- Treat each person equally regardless of age, gender, ability, ethnic origin, cultural background or religion.
- Be positive during coaching sessions, games and other activities so that young players always leave with a sense of achievement and an increased level of self-esteem.
- Recognise the development needs and capacity of all young players, regardless of their ability, by emphasising participation for all while avoiding excessive training and competition. Skills development and personal satisfaction should have priority over competition.
- Develop an understanding of relevant coaching methods and have an appropriate level of coaching accreditation.

- Do not equate losing with failure and do not develop a preoccupation with medals and trophies. The level of improvement made by young players is the best indicator of effective coaching.

**Coaches should lead by example**

- Never use foul language or provocative language/gestures to a player, opponent or match official.
- Only enter the field of play with the referee's permission.
- Do not question a referee's decisions or integrity.
- Encourage players to respect and accept the judgement of match officials.
- Promote Fair Play.
- Promote the RESPECT campaign.

- Do not smoke while working with underage players.
- Do not consume alcohol or non prescribed drugs immediately prior to or while young players are in your care.
- Encourage parents to become involved in your team and Club activities wherever possible.

### **Conduct of coaches when working with underage players**

- Don't shout at or lecture players or reprimand/ridicule them when they make a mistake. Underage players learn best through trial and error. Young people should never be afraid to risk error so as to learn.
- The use of any form of physical punishment is prohibited as is any form of physical response to misbehaviour, unless it is by way of restraint.
- Avoid incidents of horse play or role play or telling jokes etc. that could be misinterpreted.
- Never undertake any form of therapy or hypnosis, in the training of children.
- Develop an appropriate working relationship with underage players based on mutual trust and respect.
- Challenge bullying in any form whether physical or emotional. Bullying is not acceptable behaviour be it from a young person, coach, parent/guardian, spectator or match official.

### **Avoid compromising your role as a coach**

Some coaching and training activities may require coaches to come into physical contact with underage players in the course of their duties. However, coaches should:

- Be aware that any necessary contact must always be determined by the age and development of the player and should only take place with the permission and understanding of the player and in an open environment.
- Avoid unnecessary physical contact with an underage player and never engage in inappropriate touching of a player.
- Avoid taking coaching sessions on your own.
- Avoid a situation where you are alone in a car or dressing room with a player.
- Only deliver one to one coaching, if deemed necessary, in a group setting.

## **Best practice**

- Ensure that all players are suitably and safely attired to play their chosen sport.
- Keep a record of attendance at training and at games by both players and coaches.
- Be aware of any special medical or dietary requirements of players as indicated on the medical consent/registration forms or as informed by parents/guardians.
- With the expressed permission of parents/guardians be willing to keep necessary and emergency medication of players in a safe and accessible place for administration in accordance with the wishes of the parents/guardians.
- Do not administer medication or medical aid unless you are willing to do so and have received the necessary training to administer such aid.
- Be punctual and properly attired.
- Rotate the team captaincy and the method used for selecting teams so that the same children are not always selected to the exclusion of others.
- Set realistic – stretching but achievable – performance goals.
- Encourage parents/guardians to play an active role in organising and assisting various activities for your teams and your Club.
- Use mobile phones, if deemed appropriate, only via a group text or email system for communicating with the parents/guardians of players. Any exception to this form of group texting can only be proceeded with following permission from parents/guardians.
- Do not communicate individually by text/email with underage players.
- Do not engage in communications with underage players via social network sites.
- Keep a record of any injuries and action subsequently taken. Ensure that another official/referee/team mentor is present when a player is being attended to and can corroborate the relevant details.
- Ensure that all dressing rooms and the general areas that are occupied by your players and other Club personnel, prior to, during or immediately following the completion of any match are kept clean and are not damaged in any way.
- If it is necessary to transport a child/young person in your car, ensure that they are seated in a rear seat with seat belts securely fastened.
- Make adequate provision for First Aid services.
- Do not encourage or permit players to play while injured.

## **Parents/Guardians**

Parents/Guardians have an influential role to play in assisting and encouraging their children to fully participate in Gaelic Games, whether it is when they are playing our games or attending training or coaching sessions.

In common with coaches and Club personnel the parents/guardians of underage players should act as role models for their children as they participate in Gaelic Games.

### **Parents/Guardians should encourage their child to:**

- Always play by the rules.
- Improve their skills levels.
- Appreciate everybody on their team, regardless of ability.
- Maintain a balanced and healthy lifestyle with regard to exercise, food, rest and play. Advice may be sought if necessary from Club officials on this issue.

**Parents/Guardians should lead by example:**

- Adopt a positive attitude to their children's participation in our games.
- Respect officials' decisions and encourage children to do likewise.
- Do not exert undue pressure on your child.
- Never admonish your own child or any other child for their standard of play.
- Be realistic in your expectations.
- Show approval for effort, not just results.
- Avoid asking a child or young person, 'How much did you score today?' or 'What did you win by?' or 'What did you lose by?' Ask them 'Did they enjoy themselves?'.
- Never embarrass a child or use sarcastic remarks towards a player.
- Applaud good play from all teams.
- Do not criticise playing performances. Identify how improvements may be made.
- Do not seek to unfairly affect a game or player.
- Do not enter the field of play unless specifically invited to do so by an official in charge.

**Parents/Guardians should:**

- Complete and return the registration/permission and medical consent forms for their child's participation in the Club.
- Inform the coaches, and any other relevant Club personnel, of any changes in their child's medical or dietary requirements prior to coaching sessions, games or other related activities.
- Ensure that their child punctually attends coaching sessions/games or other related activities.
- Provide their child with adequate clothing and equipment as may be required for the playing of our games, including for example helmets, shin guards, gum shields etc.
- Ensure that the nutrition/hydration and hygiene needs of their child are met.

- Listen to what their child may have to say.
- Show approval whether the team wins, loses or draws a game.
- Never attempt to meet their own needs and aspirations for success and achievement through their children's participation in games.

**Parents/Guardians should assist their club by:**

- Showing appreciation to volunteers, mentors and Club officials.
- Attending training and games on a regular basis.
- Assisting in the organising of Club activities and events as requested.
- Respecting the rights, dignity and worth of every person and by treating each one equally regardless of age, gender, ability, ethnic origin, cultural background or religion.

**Parents/Guardians have the right to:**

- Know their child is safe and to make a complaint if they believe that their child's safety is in any way compromised.
- Be informed of problems/concerns relating to their child.
- Be informed if their child gets injured.
- Complain if they have concerns about the standard of coaching.
- Have a say in relation to decisions being made within the Club.

## **SUPPORTERS**

Young players are eager to enjoy and benefit from the support they receive from parents, guardians, friends and other members of the Club who attend our games as supporters. Active, loyal and well behaved supporters are always welcome to attend and support our games but should be aware that their conduct will reflect upon the team, players and Clubs they support.

Fellow supporters have a responsibility to ensure that all spectators conduct themselves in an acceptable and well behaved manner at all times, when attending games and competitions.

Supporters should realise and appreciate that young players are encouraged to participate in Gaelic Games so that they may enjoy themselves while also improving their skills levels.

### **Supporters add to the enjoyment of our games by:**

- Applauding good performance and efforts from your Club's players and from your opponents, regardless of the result.
- Condemning the use of violence in any form, be it by fellow spectators, coaches, officials or players.
- Encouraging players to participate according to the rules and the referees' decisions.
- Demonstrating appropriate social behaviour by not using foul language or harassing players, mentors or officials.
- Respecting the decisions of all officials.
- Never ridiculing or scolding a player for making a mistake during games or competitions.
- Showing respect to your Club's opponents. Without them there would be no games or competitions.
- Upholding the principles of FAIR PLAY and RESPECT for all.

## **REFEREES**

Throughout this Code of Behaviour emphasis has been placed on the need to co-operate with and facilitate those that organise and deliver our games and activities. Referees are key people in the delivery of our games and should be respected and assisted in their roles.

Referees should always remember that they are instrumental in ensuring our games are played fairly and all participants are treated with respect.

Players, coaches, mentors, parents/guardians and other Club personnel have a key role to play in the delivery of this aspect of our Gaelic Games particularly when working with underage players. The manner in which we accept the role, authority and decisions of a referee will naturally be scrutinised very closely by our underage players.

### **In their capacity as referees of underage games we expect our referees to:**

- Apply the playing rules on an impartial and consistent basis.
- Act with integrity and objectivity in all games.
- Communicate decisions to players and team officials in an effective and constructive manner.
- Deal with dissent firmly and fairly.
- Work as a team with other match officials.
- Maintain composure regardless of the circumstances.
- Avail of assessment to improve performance and achieve excellence.

Players, coaches, mentors, supporters, parents/guardians and other Club personnel should recognise the pivotal role that referees play in our underage games and should support them in their role.

## **The Club**

All Clubs that cater for underage players must do so with a child centred approach and philosophy that recognises that the welfare of the child is paramount.

Clubs must ensure that those chosen to work on the Club's behalf with underage players have been selected following a thorough recruitment, selection, training and coaching procedure and must also provide these people with the necessary supports to enable them to fulfil their roles. Clubs must ensure that those chosen to work with children and young people are at all times competent and confident in their roles and responsibilities.

### **Clubs should promote quality participation by:**

- Adopting this Code of Behaviour as a basic level of agreement between the Club and their players, their mentors, parents/guardians and supporters.
- Leading by example and ensuring that a user friendly and child centred approach is adopted in our work with young people and that equal opportunities are available for all to participate in our games and activities, regardless of an individual's ability.
- Developing effective procedures for responding to and recording all attendances, incidents, accidents and injuries.
- Accessing relevant information on Alcohol and Substance Abuse Prevention Programmes and promoting relevant training in this area of health awareness for relevant Club personnel.

### **Clubs should encourage the participation of their coaches by:**

- Agreeing the role of each and every coach or mentor working with young people.
- Ensuring that Child Protection in Sport Awareness Training is undertaken by all persons working in an official capacity with children and young people on behalf of the Club.

- Adopting and implementing clearly defined recruitment and selection procedures when choosing coaches and other relevant personnel to work with young people.

- Not imposing responsibilities or roles on young people that may be inappropriate to their age.
- Respecting the rights, dignity and worth of all players and treating them equally regardless of their age, gender, ability, ethnic origin, cultural background or religion.
- Creating pathways for young people to participate in our games not just as players but by affording them other developmental opportunities including training to become referees, coaches etc.
- Ensuring that when the team may travel away and stay overnight that separate sleeping facilities are provided for all adults and for young people. Similarly, for mixed groups, separate sleeping quarters for males and females shall be required.
- Ensuring that when your group consists of both males and females, you are required to have adequate adult to member ratios and male and female coaches/mentors present.

**Encourage the participation of parents/guardians by:**

- Encouraging parents/guardians to become members of their Club and to make themselves aware as to the running of juvenile games and activities and to the rules and codes that direct us in our work.
- Encouraging the participation of parents and guardians in all aspects of a Club's activities and events and in the organising and delivery of our games.
- Welcoming all parents/guardians to attend the games and training sessions that relate to their children. Information relating to such events should be made known to them at all times.

- Informing parents/guardians as to the identity of their Children's Officer. This person should be available to assist with any concerns or enquiries that parents/guardians may have regarding the general welfare and safety of children and young people in the Club.

- Seeking the agreement of parents/guardians when their sons/daughters under 18 years of age are invited into adult squads. Boundaries of behaviour in adult groups are normally different from the boundaries that apply to underage teams and squads.

## GIVE RESPECT - GET RESPECT

**Give Respect – Get Respect** is an awareness campaign that seeks to ensure that Gaelic Games are promoted and played in a positive, fair and enjoyable manner and where players, coaches, spectators and referees Give Respect – Get Respect from each other.

The RESPECT campaign applies at all levels and amongst all players regardless of age, competition or ability. The key participants in the Give Respect – Get Respect campaign are not just the players themselves but coaches, Clubs, parents, referees and supporters.

### **The RESPECT campaign highlights the following good practices:**

- Players shake hands with their opponents before the game commences.
- Players and coaches line up at the centre of the pitch after each game and shake hands with the referee, opposing players and coaches.
- A designated spectators' area should be clearly marked around the playing area.
- At the relevant underage categories teams will strive to achieve the maximum participation of all players in accordance with agreed playing models.
- Referees and opposing team are welcomed by the host Club prior to each game.
- A merit award, based on sporting endeavour and fair play, shall be awarded to players and teams who have upheld the RESPECT principles.

- Tolerant

## **How to Deal with Alleged Breaches of the Code of Behaviour**

This Code of Behaviour outlines the minimum levels of behaviour that we require of those that are involved in underage games and activities. The Code applies equally to underage players, coaches and mentors, to parents and guardians and to our supporters, referees and Club officials. While the promotion of the Code at Club level may be seen as the responsibility of the Club's Children's Officer ultimately it is everybody's responsibility to ensure that the Code is fully implemented.

Breaches of our Code will unfortunately occur from time to time. This may happen as a result of carelessness, poor practice, lack of understanding or there may in some instances be deliberate or indeed calculated breaches of the Code.

When a minor breach of the Code is witnessed, it may be opportune and appropriate to deal with such breaches as they occur. It may, depending on the incident(s), be appropriate for a coach, mentor or other official to deal with such instances as they happen, however repeated or non-trivial breaches of the Code would require levels of intervention as outlined in Steps 1- 10.

Many breaches of our Code of Behaviour are in fact instances of poor or bad practice and may, with the co-operation of all concerned, be rectified and may not occur again. Immediate and proportionate interventions may often be the most appropriate form of action in that it highlights the need to comply with the Code and equally ensures that breaches are not left un-challenged, thus avoiding the possibility of repeated indiscretions. Certain breaches however, due to their nature, may best be dealt as breaches of rules or in more extreme circumstances may actually fall within a category of abuse and should be dealt with accordingly.

Therefore when the Code is breached or when people may refuse to adhere to its contents, certain actions may be deemed necessary to protect the integrity of our work with children and young people and ensure that they receive the best possible care and attention while participating in our Games.

### **Dealing with an alleged breach of the Code**

An alleged breach of the Code should be dealt with in a fair and impartial manner with the presumption of innocence maintained until otherwise proven. If at any stage the person against whom the breach is alleged is under 18 years of age, no formal meetings should take place with that person without the presence or permission of a parent or guardian.

Any action(s) taken should at all times be proportionate to the alleged breach that may have taken place.

Should a false allegation be made regarding a breach of the Code and should the matter be subsequently deemed to be of a malicious nature, the person making any such false allegation(s) may be subject to sanctions by the relevant Sports Governing Body and/or by the statutory authorities.

There is however, a difference between a false allegation and an incorrect assumption or an allegation that may be unproven. Where a person may believe or observe that a breach of the Code has occurred, they should report this matter to the person in the relevant Club who may deal with such matters. While it is always preferable that allegations or concerns are received in writing, the Club is equally obliged to investigate any alleged breaches of the Code whether they are reported verbally, anonymously or in writing.

## **How is a breach of the Code processed?**

If an alleged breach of the Code of Behaviour is reported or observed, it is recommended that the Club Children's Officer initially oversees any enquiry into such an allegation. The following should be adhered to:

### **Step 1 Alleged breach of the Code is reported or observed**

- Matter should be reported to the Club's Children's Officer.

### **Step 2 Confidentiality**

- At all times the Children's Officer must maintain the highest degree of confidentiality in their work on behalf of the Club and should only discuss the details of any alleged breach of the Code on a need to know basis with those that are required to be informed or consulted. The Club's Children's Officer shall record and retain a record of all discussions and actions taken.

### **Step 3 Initial assessments by the Club Children's Officer**

- If possible, following assessment of the matter as reported or witnessed, the Club Children's Officer should identify if the alleged breach would constitute an example of poor practice or a more serious breach of the Code.

### **Step 4 Collate the information**

- Carefully take account of what has been reported or alleged and retain a record of all actions taken on behalf of the Club. Such records may be required as part of any subsequent investigation or in the event of an appeal at a later stage.

### **Step 5 Inform the person accused of the alleged breach of the Code**

- Inform the person against whom the alleged breach has been made as to the nature of the breach and how it may have contravened the Code.
- Seek a response from the person.
- Inform the person if any further action is deemed necessary or shall be recommended.

## **Step 6 If a breach of the Code is acknowledged**

- If a breach of the Code is acknowledged and is not deemed to be of an extreme nature (e.g. poor practice as opposed to a deliberate breach), the Children's Officer should inform the person against whom the breach has been alleged how they may have breached the Code and that they must in future adhere to all aspects of the Code.
- If the breach is deemed to be of a more serious or a re-occurring nature it may then be subject to reporting within the Club. Such matters, depending on the nature of each case, shall be dealt with in accordance with the principles of natural justice and Club internal disciplinary structures or in extreme circumstances may be categorised as abuse and would be dealt with accordingly. The Club Children's Officer may not make a decision to remove a person from their role(s) due to a breach of the Code of Behaviour. Such actions may only be taken by the relevant Club Committee but may be recommended by the Club Children's Officer, following an appraisal of the alleged breach\*.
- Should any action be taken against a person deemed to have breached the Code the action taken will undoubtedly be proportionate to the level of breach that occurred. However, such action could include a verbal warning, a removal from their role for a specific period of time, a permanent removal from their role, a directive that they undertake a specified training programme, a request that the matter be dealt with as a disciplinary issue or a referral of the breach to the Designated Person dealing with allegations of abuse.
- All such action shall be taken by the relevant Club Committee having considered any recommendations that may be made to them.

## **Step 7 If a breach of the code is denied**

- If a breach of the code is denied, the Children's Officer must make a determination as to how to proceed and may seek the assistance of other Club officials as appropriate to the Club's structures.
- If the facts point to a breach of the Code, due process must allow for a response from the person against whom the alleged breach has been made.
- If, following this procedure, it is deemed that a breach of the Code has occurred the Children's Officer may recommend a course of subsequent action. This matter must also be reported to the relevant Club Committee and also to the person against whom the allegation has been made.
- The relevant Club Committee shall consider the recommendation and reach a conclusion on the matter.
- If the breach is deemed to be of a more serious or a re-occurring nature it may then be subject to reporting within the Club. Such matters, depending on the nature of each case, shall be dealt with in accordance with the principles of natural justice and Club internal disciplinary structures or in extreme circumstances may be categorised as abuse and would be dealt with accordingly. The Club Children's Officer may not make a decision to remove a person from their role(s) due to a breach of the Code of Behaviour. Such actions may only be taken by the relevant Club Committee but may be recommended by the Club Children's Officer, following an appraisal of the alleged breach\*.
- Should any action be taken against a person deemed to have breached the Code the action taken will undoubtedly be proportionate to the level of breach that occurred. However, such action could include a verbal warning, a removal from their role for a specific period of time, a permanent removal from their role, a directive that they undertake a specified training programme, a request that the matter be dealt with as a disciplinary issue or a referral of the breach to the Designated Person dealing with allegations of abuse.

### **Step 8 Appeal against decision**

- If the person against whom an allegation has been made is unhappy with the outcome or decision(s) made, a right of appeal should be afforded to them in accordance with Club and Governing Body structures.

### **Step 9 Informing the aggrieved party as to any decision reached following a breach of the Code**

- Any person, who due to the actions of another, may have experienced or have been the recipient of actions deemed to be in breach of the Code, is entitled to know what outcomes and decisions have been reached following investigations into such matters. Such persons should be informed in a confidential manner as to what has been agreed, but may not be part of the decision making process when determining an outcome.

### **Step 10 Review use of the Code in your Club**

- On an on-going basis the Club's Children's Officer should review the implementation of the Code of Behaviour within the Club and where necessary appraise the Club's Executive Committee on how the Code may be promoted at all times.

\*Reference has been made throughout this section to the use of 'Club internal disciplinary structures'. Where any such actions may be required, they must be processed in accordance with the procedures as adopted by Cumann Lúthchleas Gael, Cumann Camógaíochta, Cumann Peil Gael na mBan, Liathróid Láimhe CLG na hÉireann or Comhairle Cluiche Corr na hÉireann.

It is recommended that you contact your relevant Governing Body for further information on appropriate disciplinary procedures.

# CODE OF ETHICS AND BEST PRACTICE

## POLICY STATEMENT

The Camogie Association is fully committed to safeguarding the well being of its members. Every individual in the association should at all times, show respect and understanding for members' rights, safety and welfare and conduct themselves in a way that reflects the principles of the Association and the guidelines contained in the Code of Ethics and Good Practice for Sport for Young People.

In the Camogie Association our first priority is the welfare of the young people and we are committed to providing an environment which will allow participants to perform to the best of their ability, free from bullying and intimidation.

As part of our commitment we have adopted a code to protect our underage players (all players under 18 years of age), all leaders and members of the Camogie Association.

We shall ensure that the code of ethics and good practice for sport for young people in Camogie is adopted, agreed to, implemented and signed up to by all its members.

## CORE VALUES

The work of the Camogie Association is based on the following principles that will guide the development of our sport for young people. Young People's experience of sport should be guided by what is best for the young person. The stages of development and the ability of the young person should guide the types of activity provided within the association. Adults will need to have a basic understanding of the needs of young people, including physical, emotional and personal.

### Integrity in relationships:

Adults interacting with young people in sport should do so with integrity and respect for the child. There is a danger that sporting contexts can be used to exploit or undermine children. All adult actions in sport should be guided by what is best for the child and in the context of quality, open working relationships. Verbal, physical, emotional or sexual abuse of any kind is unacceptable within Camogie.

### Quality atmosphere and ethos:

Sport for young people should be conducted in a safe, positive and encouraging atmosphere. A child-centered ethos will help to ensure that competition and specialisation are kept in their appropriate place.

### Equality:

All children should be treated in an equitable and fair manner regardless of age, ability, sex, religion, social and ethnic background or political persuasion. Children with disability should be involved in sports activities in an integrated way, thus allowing them to participate to their potential alongside other children.

### Fair Play:

Fair play is the guiding principle of the Code of Ethics

and Good Practice for Young People in the Camogie Association. All children's sport should be conducted in an atmosphere of fair play. Ireland has contributed and is committed to the European Code of Sports Ethics, which defines fair play as: "much more than playing within the rules". It incorporates the concepts of friendship, respect for others and always playing with the right spirit. Fair play is defined as a way of thinking, not just behaving. It incorporates issues concerned with the elimination of opportunities, excessive commercialisation and corruption. (European Sports Charter and Code of Ethics, Council of Europe, 1993).

### Competition:

A balanced approach to competition can make a significant contribution to the development of young people, while at the same time providing fun, enjoyment and satisfaction. However, often competitive demands are placed on children too early, which results in excessive levels of pressure on them. This can contribute to a high level of drop out from sport. Leaders should aim to put the welfare of the child first and competitive standards second. A child-centered approach will help to ensure that competition and specialisation are kept in their appropriate place.

## CHILDREN'S OFFICERS

The appointment of Children's Officers is an essential element in the creation of a quality atmosphere. They act as a resource with regard to children's issues.

Children's Officers should review current policies in relation to young people, check that all activities are safe and fun, and inform adults of how to deal with any concerns that may arise in relation to the protection of young people. Each Club and County Board must appoint a Children's Officer. The Children's Officer is a full officer with voting rights.

All Children's Officers must be cleared by Garda Vetting / Access NI.

Children's Officers should be child centered in focus and have as the primary aim the establishment of a child centered ethos within An Cumann Camógaíochta. She/he is the link between the children and the adults in the organization. She/he takes responsibility for implementing all aspects of An Cumann Camógaíochta's Code of Ethics and Best Practice for Children. She/he is the Designated Person responsible for reporting to the Statutory Authorities.

### The Club Children's Officer should:

- Promote awareness of the Code of Ethics and Best Practice for Children within the club, among young members and their parents/guardians.

- Identify the need for relevant Child Protection and Welfare training within the Club and any other appropriate training.

## **MOBILE PHONE**

Mobile phones are often given to young people for security, enabling parents to keep in touch and make sure they are safe. Young people value their phones highly as it offers them a sense of independence. In addition mobile phones allow quick and easy contact, which can make a safe and efficient way to carry out club business. However such technology has also allowed an increase in

direct personal contact with young people, in some cases used to cross personal boundaries and cause harm to young people. Within clubs there is a need to encourage responsible and secure use of mobile phones by adults and young people. With this in mind the following guidelines for the use of mobile phones has been put in place

**As a young person remember:**

- If you receive an offensive photo, email or message, do not reply, save it, make a note of times and dates and tell a parent or children's officer within the club.
- Be careful about who you give your phone number to and don't respond to unfamiliar numbers.
- Change your phone number in cases of bullying or harassment.
- Don't use the phone in certain locations, e.g. changing rooms; inappropriate use of your camera phone may cause upset or offence to another person.
- Treat you phone as you would any other valuable item so that you guard against theft.

**As a Coach / Mentor remember:**

- All mobile phone and email communication with underage members must be sent to their parents only.
- All mobile phone / email communication with members over 16 and under 18 must be sent to parents, unless otherwise indicated by parent/guardian in writing to club.
- It is not appropriate to have constant communication with individual players.
- Coaches / mentors should never engage with underage players via social networking sites.
- Don't use the phone in certain locations, e.g. changing rooms; inappropriate use of your camera phone may cause upset or offence to another person.

## **PHOTOGRAPHIC GUIDELINES**

An Cumann Camógaíochta has adopted a policy in relation to the use of images of players on their websites and in other publications as there have been concerns about the risks posed directly and indirectly to children and young people through the use of photographs on sports websites and other publications. Remember having photographic and filming guidelines is not about preventing parents from taking pictures, it is to ensure that only those who have a right to take photographs do so. The purpose is to reduce the risk of inappropriate, unsolicited attention from people within and outside the sport. Group photographs where the club is identified rather than individuals are good for publicity without creating a risk to those in the photographs.

**Rules to guide use of photography:**

- Ask for the player's and parental permission to use their image. This ensures that they are aware of the way the image is to be used to represent the sport.
- Try to avoid the use of the first name and surname of individuals in a photograph.
- Only use images of players in suitable dress to reduce the risk of inappropriate use. The content of the photograph should focus on the activity not on a particular child
- Where possible try to use models or illustrations when

promoting an activity

- The inappropriate use of images of players should be reported to reduce the risks to players. Follow the child protection procedures, ensuring either the Children's Officer or, if necessary, the statutory authorities are informed.
- Photographers/film/video operators wishing to record an event or practice session should seek accreditation from the children's officer and / or leader at session. Where possible their professional identification should be sought and a record made.
- When commissioning professional photographers or inviting the press to a game or session ensure that they are clear about our expectations of them in relation to child protection.

**Video as a coaching aid:** Video equipment can be used as a legitimate coaching aid. However, permission should first be obtained from the player and the player's parent/guardian

Anyone concerned about any photography taking place at events or training sessions can contact the children's officer in relation to the matter.

## TRANSPORT GUIDELINES:

Adequate and safe transport arrangements have always been a central element of trips taken by all teams and particularly by underage teams. These safe travel arrangements apply regardless of the length of journey or indeed the mode of transport availed of, whether it is public, private or personal transport and is a matter of key good practice for Clubs, parents and for young people themselves. While it may be preferential to avail of private bus or coach transport it is also recognised that in many instances this may not be feasible and certain teams or clubs could not operate without the goodwill of volunteers and parents who personally ensure that children are transported to an event or match and are returned safely.

We recognise that private cars are used by many Clubs and teams when transporting children to away games which take place as part of a County fixtures' schedule or as part of inter club blitzes or challenge matches. It is however advisable not to use members' cars when travelling on away trips of great distances. In such circumstances Clubs are advised if possible to avail of bus or coach transport and it is essential therefore that all aspects of the transport arrangements are checked out and agreed in advance. The safety and welfare of children should be considered a priority at all times, regardless of cost.

### **The following should be considered:**

- All vehicles should be well-maintained and roadworthy and should be properly taxed and insured.
- Transport should be fully accessible for people with disabilities whether they are members of the group or for others who may accompany them.
- Alternative access to transport should be available in case of emergency.
- Vehicles should be equipped with a First Aid kit and a fire extinguisher and leaders of the group should be familiar with how to use them.
- When hiring a vehicle information should be sought as

to the company's reputation and reliability.

### **During the trip**

- Ensure that passengers remain safely seated at all times.
- Seat belts must be worn at all times.
- It is essential that at least one individual with first aid qualifications be part of your organising group and that this individual be present or available throughout the trip.
- Young people must be adequately supervised throughout the trip as per our recommended ratios of adults to young people. This ratio may differ depending on the age group of participants, the activities to be undertaken, whether there is an overnight stay, if the trip is abroad etc.
- A generally acceptable ratio of 1:8, i.e. one adult per eight young people, is deemed in most instances to be a normal sports activity ratio.\*
- Organisers of club trips should always be mindful of ensuring that additional adults accompany their group in case of emergencies or unforeseen circumstances.\*
- There must be at least two adults with any group, one of which must be a female leader.\*
- Adults are required to be familiar with the agreed rules on smoking and on the consumption of alcohol during the trip, as outlined in the Joint Code of Behaviour. As a basic minimum, adults are required to avoid smoking while working with young players and must not consume alcohol or non prescribed drugs while young players are in their care.

*\*Refer to Supervision Guidelines for more detailed advice.*

## GUIDELINES FOR SUPERVISION OF CAMOGIE TEAMS.

- Make sure there is an adequate adult: child ratio. This will depend on the nature of the activity, the age of the participants and any special needs of the group. A minimum ratio of 1:8 for under 12 years of age and 1:10 for participants over 12 years of age would be recommended. This is only a guide and will change depending on the circumstances, e.g. players with special needs, very young players or on away trips.
- Avoid being alone with one player, if you need to talk to an individual do so in an open environment, in view of others.
- Every team must have at least one adult female leader present during all activities. Therefore when travelling to matches or on away trips there must be at least two adult female leaders travelling with each group in case of emergencies or unforeseen circumstances.
- In changing rooms, where possible ask parents to take responsibility and supervise in pairs of appropriate gender.
- Clearly state time for start and end of training sessions or competitions, leaders should remain in pairs until all players have been collected.
- Keep attendance records and record any incidents / injuries that arise.

## RECRUITMENT PROCEDURE

- An Cumann Camógaíochta will take all reasonable steps to ensure that leaders working with young people are suitable and appropriately qualified.
- Leaders will be expected to go through appropriate recruitment and selection procedures that apply to all persons with substantial access to young people, whether paid or unpaid.
- The responsibilities of the role and the level of experience/qualifications required should be drawn up and clearly stated beforehand.
- New Leaders should fill in an application form, giving names of two referees that can be contacted. Where possible all new leaders should be interviewed.
- New Leaders must be checked by An Cumann Camógaíochta's Garda Vetting Service.
- A probationary period is advisable, during which the leader is always supervised.
- There will be a "sign-up" procedure, whereby the appointed / reappointed leader, agrees to abide by the Code of Ethics and Good Practice for Young People in An Cumann Camógaíochta (see relevant section for sample forms).
- No exception should be made in relation to appropriate recruitment procedures.
- Every effort should be made to manage and support appointed Leaders. Adequate supervision should always be provided; a leader should not have to work alone.
- A decision to appoint a Leader is the responsibility of the relevant unit and not of any one individual within it. The unit committee should ratify all recommendations for appointment.
- All forms should be filed as a matter of record by the relevant unit.

## COMPLAINTS AND APPEALS PROCEDURE\*

- Complaints relating to alleged breaches of the Code of Ethics and Best Practice should be lodged with relevant Children's Officer.
- The complaint should outline all relevant details.
- If the complaint involves a Child Protection Concern or a criminal offence refer to Child Protection Section of the Code of Ethics and Best Practice for procedure.
- Minor breaches of the Code of Ethics and Best Practice may be dealt with by the relevant Children's Officer.
- For more serious breaches of The Code of Ethics and Best Practice the complaint should be brought to the attention of the cathaoirleach of the relevant body who will convene a disciplinary committee, which should comprise a senior officer, the children's officer and one other ordinary member.
- The disciplinary committee should hear the case of all parties involved.
- If the complaint involves an alleged breach of An Treoraí Oifigiúil it must be referred to the appropriate committee in charge.
- For breaches pertaining to The Code of Ethics and Best Practice the disciplinary committee should

determine the appropriate sanction, if any.

- They should, in writing, inform those involved of the sanctions to be imposed. Written notification should be given to parents/guardians if the complaint involves a child.
- Written records of all complaints, procedures and outcomes should be safely and confidentially kept by the Children's Officer.
- If any party does not agree with the disciplinary committee they can appeal the decision in writing within 10 days of the date on written outcome.
- The appeals committee is convened, whose cathaoirleach should be taken from the relevant executive committee and those who have not been on the original disciplinary committee.
- The appeals committee may confirm or set aside or change any sanction imposed by the disciplinary committee.
- If any party is not satisfied with the outcome the matter may be referred to Ardcomhairle. However efforts to resolve the issue at local level should be exhausted before Ardcomhairle is engaged in attempts to resolve the matter.

*\*See also section of Code of Behaviour dealing with Alleged Breaches of the Code for more detailed guidelines*

## CHILD WELFARE AND PROTECTION

An Cumann Camógaíochta accepts that organizations, which include young people among its members, are vulnerable to the occurrence of child abuse. Below are the procedures for dealing with any welfare or protection issue that may arise. Child welfare and the protection of young people are the concern of all adults at all times, irrespective of their role within the organization.

If there are grounds for concern about the safety or welfare of a young person you must react to the concern.

The following examples would constitute reasonable grounds for concern:

- (i) specific indication from the child that (s)he was abused;
- (ii) an account by a person who saw the child being abused;
- (iii) evidence, such as an injury or behaviour which is consistent with abuse and unlikely to be caused another way;
- (iv) an injury or behaviour which is consistent both with abuse and with an innocent explanation but where there are corroborative indicators supporting the concern that it may be a case of abuse. An example of this would be a pattern of injuries, an implausible explanation, other indications of abuse, dysfunctional behaviour;
- (v) consistent indication, over a period of time, that a child is suffering from emotional or physical neglect.

Any child welfare concern or allegation of abuse should be passed on to the person in club/county designated to report to Statutory Authorities who may or may not be the Children's Officer. He/she should in turn pass the concern to the local Statutory Authorities with responsibility for Child Welfare and Protection. He/she may if unsure seek

advice from the local HSE/Social Services or the County Children's Officer.

It is not the responsibility of anyone working within An Cumann Camógaíochta, in a paid or voluntary capacity, or those working in affiliated organisations, to take responsibility or decide whether or not child abuse is taking place. That is the job of the local statutory authorities. However, there is a responsibility to protect children by assisting the appropriate agencies so that they can then make enquiries and take any necessary action to protect the young person.

Everyone should follow Cumann Camógaíochta's reporting procedures as outlined. These include the procedure for responding to a child in distress, secondly the procedure for reporting the concern and the procedure to follow in the case of an internal allegation of abuse.

## **RESPONSE TO A DISCLOSURE OR ALLEGATION OF ABUSE**

- Deal with any allegation of abuse in a sensitive and competent way through listening to and facilitating the child to tell about the problem, rather than interviewing the child about details of what happened.
- Stay calm and not show any extreme reaction to what the child is saying. Listen compassionately, and take what the child is saying seriously.
- Understand that the child has decided to tell something very important and has taken a risk to do so.
- The experience of telling should be a positive one so that the child will not mind talking to those involved in the investigation.
- Be honest with the child and tell them that it is not possible to keep the information a secret.
- Make no judgmental statements against the person whom the allegation is made.
- Do not question the child unless the nature of what s/he is saying is unclear. Leading questions should be avoided. Open, non-specific questions should be used such as "Can you explain to me what you mean by that".
- Check out the concerns with the parents/guardians before making a report unless doing so would endanger the child.
- Give the child some indication of what would happen next, such as informing parents/guardians, HSE or social services. It should be kept in mind that the child may have been threatened and may feel vulnerable at this stage.
- Carefully record the details. (k) Pass on this information to the relevant Children's Officer.
- Reassure the child that they have done the right thing in telling you.

## **REPORTING PROCEDURES**

The following steps should be taken in reporting a concern or an alleged incident of child abuse to the statutory authorities:

- Observe and note dates, times, locations and contexts

in which the incident occurred or suspicion was aroused, together with any other relevant information.

- Report the matter as soon as possible to the Designated Person with responsibility for reporting abuse eg the Children's Officer. If the Children's Officer has reasonable grounds for believing that the child has been abused or is at risk of abuse, s/he will make a report to the health service executive/ social services or Gardaí/PSNI who have statutory responsibility to investigate and assess suspected or actual child abuse.
- In cases of emergency, where a child appears to be at immediate and serious risk and the Children's Officer is unable to contact a duty social worker, the Garda Síochána/PSNI should be contacted. Under no circumstances should a child be left in a dangerous situation pending intervention by the Statutory Authorities.
- If the Club Children's Officer is unsure whether reasonable grounds for concern exist she/he can informally consult with the local hse/social services or the County Children's Officer.
- If the Children's Officer, having consulted with the statutory authorities decides not to make a formal report s/he should inform the person making the original report of the decision.
- The Children's Officer should keep a record of all actions, decisions taken during the process.
- A Children's Officer reporting suspected or actual child abuse to the Statutory Authorities should first inform the family of their intention to make such a report, unless doing so would endanger the child or undermine an investigation.

## **ALLEGATIONS INTERNAL TO AN CUMANN CAMÓGAÍOCHTA**

An Cumann Camógaíochta has agreed procedures to be followed in cases of alleged child abuse against Camogie Personnel. If such an allegation is made against a coach/mentor working within the club, or any member of a club two procedures must be followed.

1. The reporting procedure in respect of a concern or an alleged incident of child abuse, as undertaken by the Children's officer.
2. The procedure for dealing with the coach/mentor/ member outlined below.
  - The safety of the child making the allegation should be considered and the safety of any other children who may be at risk.
  - The club/county should take any steps necessary to protect children in its care.
  - The issue of confidentiality is important. Information is on a need to know basis and the /member should be treated with respect and fairness.

## **INTERNAL PROCEDURE**

If after consultation with the Statutory Authorities or County Children's Officer the Club Children's Officer feels there are no grounds for concern the details must be recorded, decision passed to person making original

complaint and to the National Children's Officer. The situation should continue to be monitored.

If having assessed the situation the Children's Officer believes that reasonable grounds exist the Children's Officer makes the report to the Statutory Authorities, and having received advice from the Statutory Authority shall with the cathaoirleach of the club, (a senior officer, or a person not already involved with the child protection concern), deal with the member in question.

- The cathaoirleach should inform the member that;  
(a) an allegation has been made against him/her and  
(b) the nature of the allegation.
- He/she should be afforded an opportunity to respond.
- His/her response should be noted and passed on to the Statutory Authorities.
- The member should be asked to step aside pending the outcome of the investigation. When a person is asked to step aside it should be made clear that it is only a precautionary measure and will not prejudice any later disciplinary proceedings.
- The Ardstiúrthóir and/or the National Children's Officer should be informed by the local Children's Officer that the leader has been asked to stand aside.

An Cumann Camógaíochta can consider disciplinary action on the member but should ensure that this does not interfere with the investigation of the Statutory Authorities. It is important that they consider the outcome of the investigation and any implications it might have. The fact that the alleged abuser has not been prosecuted or been found guilty does not mean that they are appropriate to work with young people in the future.

## **PROTECTION FOR PERSONS REPORTING**

The Protection for Persons Reporting Child Abuse Act, 1998, provides immunity from civil liability to persons who report child abuse 'reasonably and in good faith' to the Health Board or the Gardai. The act also covers the offence of 'false reporting'. The main provisions of the Act are:

1. The provision of immunity from civil liability to any person who reports child abuse "reasonably and in good faith" to designated officers of Health Boards or any member of An Garda Síochána;
2. The provision of significant protections for employees who report child abuse. These protections cover all employees and all forms of discrimination up to and including, dismissal;
3. The creation of a new offence of false reporting of child abuse where a person makes a report of child abuse to the appropriate authorities "knowing that statement to be false". This is a new criminal offence designed to protect innocent persons from malicious reports.

This law does not exist in Northern Ireland, but an individual who reports concerns in 'good faith' is not deliberately attempting to slander another person's name. In Northern Ireland there is legislation, the Criminal Law Act (NI) 1967 which places the responsibility on everyone to report offences or to forward information to the police by emphasizing the, 'duty of every other person, who

knows or believes,

- (a) that the offence or some other arrestable offences has been committed: and
- (b) that he has information which is likely to secure, or to be material assistance in securing, the apprehension, prosecution or conviction of any person for that offence'

## **CONFIDENTIALITY**

Confidentiality should be maintained in respect of all issues and people involved in cases of abuse, welfare or bad practice. It is important that the rights of both the child and the person about whom the complaint has been made are protected.

### **The following points should be kept in mind:**

- A guarantee of confidentiality or undertakings regarding secrecy cannot be given, as the welfare of the child will supersede all other considerations.
- All information should be treated in a careful and sensitive manner and should be discussed only with those who need to know.
- Information should be conveyed to the parents / guardians of the child in a sensitive way.
- Giving information to others on a 'need to know' basis for the protection of a child is not a breach of confidentiality. Reporting a concern or an allegation to the Children's Officer in line with these procedures is not a breach of confidentiality.
- All persons involved in a child protection process (the child, his/her parents/guardians, the alleged offender, his/her family, Leaders) should be afforded appropriate respect, fairness, support and confidentiality at all stages of the procedure.
- Information should be stored in a secure place, with limited access only to designated people.
- Breach of confidentiality is a serious matter and shall be dealt with accordingly.

## **ANONYMOUS COMPLAINTS**

Anonymous complaints can be difficult to deal with but should not be ignored. In all cases the safety and welfare of the child/children is paramount. Any such complaints relating to inappropriate behaviour should be brought to the attention of the Children's Officer. The information should be checked out and handled in a confidential manner.

## **RUMOURS**

Rumours should not be allowed to hang in the air. Any rumours relating to inappropriate behaviour should be brought to the attention of the Children's Officer, and checked out without delay.

## **GUIDELINES FOR ALL ADULT REFEREES AND CLUBS FOR 2012 PLAYING SEASON**

### **Playing gear:**

Referees have been instructed to ensure that all teams are correctly attired and in particular that skirts/skorts are worn. **Shorts** are not permitted and referees have been instructed not to allow any girls wearing shorts to play. Referees were reminded to check hurleys – i.e., if banded must be taped and up to 18 years – shin guards must be worn. Helmets are compulsory for all ages.

For U16 matches upwards – all referees must wear referee's uniform.

### **Time keeping:**

Over the past season it has been noticed our scheduled start times have been virtually ignored. In an effort to correct this, referees have been instructed to start games at the correct advertised time. However, we are aware this may not always be possible due to unforeseen circumstances. Every effort should be made to ensure these disruptions are kept to a minimum. Where a delay is likely to occur the opposition/referee should be notified. Referees have been asked to note any late starts and these will be passed to management for consideration.

### **Contacting Referees:**

As always, the onus is on the **HOME** club to contact the referee at least 2 days before their fixture, to confirm his/her availability. In the event that he/she is not available, then Garry Beagan 085-1743646 should be contacted and a replacement referee will be appointed. Contact details are available for all referees on page 85 of this publication and are posted on [www.dublincamogie.ie](http://www.dublincamogie.ie). Failure to contact the referee will result in a fine to the offending club (€50).

Where a home team is playing at another location other than their home ground then this information should be given to the referee – e.g. Ballyboden playing in Sancta Maria as opposed to their club house on Firhouse Road.

For Under 15 and 16 games Named Referees will be provided.

### **Referee Reports:**

Referees must complete reports immediately after the match, ensuring they are specific in reporting any incident. Garry Beagan, 1 St Andrews Fairway, Lucan Co. Dublin except reports relating to Disciplinary Issues and Injury Reports which should be sent to Mona O'Sullivan, An Rúnaí, 4 Orlagh Court, Knocklyon, Dublin 16.
