

The final session for all the girls who have participated in the Dublin Camogie under12 school of Excellence will take place this Saturday, 26<sup>th</sup> November in the Phoenix Park.

We have broken the group into 4 sub-groups, which gives everybody a bit of breathing space, and those groups and starting times are outlined below (please note that there are 2 groups at 10am).

Please note that the venue for this weekend's session is the Phoenix Park, and we ask everyone to arrive 15 minutes before the scheduled kickoff time so that we can get everything running smoothly from the beginning.
