

Dublin U16 Camogie Squad 2018 Nominations for Trials

Dublin Camogie invites nominations from clubs for players to attend trials for the 2018 Dublin U16 Camogie panel. To be eligible to be considered for the U16 panel players must be registered members of a club and be under 16 years of age on the 1st of January 2018 (born 2002/2003).

Clubs are requested to consider carefully the talents and attributes of those players they are considering nominating for the trial process. Please only send forward players for trials who possess the attributes, commitment and dedication required to make an Inter County panel.

Your club mentors must only send forward for trial players whom they deem to have a realistic chance of being in the final 45 in the County and capable of competing against the best in Ireland. Nominating a player who is not near the standard to make the final panel will only prove to be very disheartening and discouraging for the young player in question. We are appealing to mentors not to view county trials as a mechanism to "reward" players.

Trials will commence on Saturday Nov 11 and a training panel will be formed early in December.

The U16 teams will compete in the Leinster Championship (Feb/March) and the All-Ireland Championship (July/August). Players nominated should be available to train in advance of and participate in both competitions.

Nominations will only be accepted from club secretaries or nominated point of contact. The deadline for submissions is **Tuesday 7th November at 5pm to dublincamogie2002@gmail.com**.

Club Secretaries will receive notifications regarding all U16 trial dates.

John Murphy
(Squad Manager)
