

# Need to get a fixture moved

## Juvenile Fixtures

If you find that your team needs to move a fixture you need to

Step 1 Contact your opposition as far in advance of the date as you can.  
( Minimum 48hrs)

Step 2 Agree a refix with your opposition.

Step 3 Agree a new date that does not conflict with scheduled games

Step 4 Email your request to your relevant Coordinator. (See Coordinator Contacts Tab) In your request you must state the age, division & fixture.

Step 5 The Coordinator will confirm if the match can be moved & will adjust the date\time on the website.

## Notes

A team does not have to agree to move a fixture.

A match can only be moved once. The confirmed new date is "play or concede".
