

Juvenile League Rules 2019

1. Juvenile leagues games will be 15 aside for Division 1 games & 13 aside games for all other divisions. In a 15 a side competition a team will be required to have a minimum of 12 players to commence a game while a minimum of 10 players are required to play in a 13 a side competition. A Team with reduced numbers should agree with their opposition 48 hours before the game that the opposition will field the same numbers. Otherwise the opposition can start with 15 players for division 1 & 13 players for Division 2 to division 6. Best practice for 13 aside games is to field 15 players if both teams have the players.
2. A lower graded player may "sub up" to a higher graded team as many times as she wishes without effecting her lower grade. This applies in League only. A higher graded player may not compete in a lower graded league competition.
3. A Juvenile player may compete in an adult league, provided is at least 15 years old & subject to rule 28.4 of the Treorai Oifigiuil.
4. Teams may use 8 subs in a league game. (5 in Championship).
5. A team who plays an unregistered player, will automatically be referred to the THDC, where mandatory sanctions will apply, including loss of points if winning, a fine if beaten, plus a suspension on the player and also suspension on Club Officers (Chairperson/Secretary) if proven that the Officers knowingly played an unregistered player.
6. A player sent off on a "straight red" will face a mandatory suspension, depending on the nature of the offence. She will stand suspended until she accepts a mandatory suspension or appears before a THDC.
7. Bibs to be worn by all mentors. Failure to do so will result in an automatic fine. (€25-00)
8. If a club concedes 3 league games, they will automatically be excluded from the remainder of the competition and placed last in their league
9. Each team must supply a CC2 form (Team sheet) to the referee before the start of the 2nd half.
10. A juvenile team may not postpone a league game without first receiving permission from An Rúnaí by way of the relevant Fixtures Coordinator. Such a request will only be granted in exceptional circumstance. Teams may bring forward a scheduled game but again An Rúnaí must be informed, along with the appointed referee.
11. A Referee has the right to refuse any girl wearing shorts / jewellery permission to play until such time as she removes her jewellery and acquires a skirt/skort.
12. There is no requirement to reduce your playing numbers to that of your opponents unless previously agreed between the teams. Teams may play the maximum allowed in their particular competition.
13. An Runaí may at any time change the date of an official fixture, provided that he gives both clubs written confirmation at least 5 days in advance of the original fixture. This will only be done as a last resort and only under exceptional circumstances.
14. Shin Guards are not compulsory, but the Board strongly recommend the wearing of these in all games.
15. League winners will be decided by the team that tops their division on the league tables when matches are completed or by 30th June. In the event of 2 teams being equal on points a playoff will determine the winner. In the event of 3 teams being equal on points the Points Against category will determine 2nd & 3rd place with 2nd place having a playoff with 1st place on the league tables.
